#### (i) **Periodic Test (10 Marks):**

The school shall conduct three periodic written test in the entire academic year and the average of the best two will be taken. For the purpose of gradient learning, three tests may be held as one being the mid- term test and other the two being pre- mid and post mid- term with portion of syllabus cumulatively covered. The school will take the average of the best two tests for final marks submission.

#### (ii) **Notebook Submission (5 marks):**

Notebook submission as a part of internal assessment is aimed at enhancing seriousness of students towards preparing notes for topics being taught in the classroom as well as assignments, This also addresses the critical aspect of regularity, punctuality , neatness and notebook upkeep.

#### (iii) **Subject Enrichment Activities (5 marks):**

These are subject specific application activities aimed at enrichment of the understanding and skill development . These activities are to be recorded internally by respective subject teachers.

**For Languages :** Activities conducted for subject enrichment in languages should aim at equipping the learner to develop effective speaking and listening skills.

**For Mathematics:** The listed laboratory activities and projects as given in the prescribed publication of CBSE/ NCERT may be followed.

**For Science :** The listed practical works/ activities may be carried out as prescribed by the CBSE in the curriculum.

**For Social Science :** Map and project work may be undertaken as prescribed by the CBSE in the curriculum.

## 2. Co-Scholastic Activities:

Schools shall promote co- curricular activities for the holistic development of the students. These activities will be graded on a 5- point grading scale (A to E) and will have no descriptive indicators . No up- scaling of grades will be done.

| Activity  | To be graded on a 5- point scale (A –E ) in school | Areas and Objectives (as prescribed in the Scheme of Studies for subjects of Internal Assessment)   |
|---|--|---|
| Work Education or Pre- Vocational Education                                       | By the concerned Teacher                           | Work education is a distinct curricular area for students for participation in social , economic and welfare activities. Student gets a sense of community service and develops self- reliance. (for Pre- Vocational Education as per Scheme of Studies)  |
| <b>Art Education</b>  | By the VA/ PA or the Concerned teacher             | Art Education constitutes an important area of curricular activity for development of wholesome personality of the students. Students will select one of more forms of creative arts.   |
| <b>Health &amp; Physical Education (Sports / Martial Arts / Yoga / NCC etc. )</b> | By the PE Teacher                                  | Health & Physical Activity preferably sports must be given a regular period. Students should be provided opportunities to get professionally trained in the area of their interest. Indigenous sports, Yoga and NCC must be encouraged in the schools creating a sense of physical fitness, sportsmanship, patriotism , self – sacrifice and health care. |

## 3. Discipline (Attendance, Sincerity , Behaviour , Values):

Discipline significantly impacts career shaping and it helps build character. Sincerity, good behavior and values develop strength and foster unity and co- operation therefore , the element of discipline has been introduced . Class teacher will be responsible for grading the students on a five –point scale (A to E).

The internal assessment comprising 20 marks (10 + 5 + 5) entails objectivity and a structured approach. For a holistic assessment , the teachers are expected to make it an effective tool.
